Novelis Team  
Novelis Inc.  
3560 Lenox Road, Suite 2000  
Atlanta, GA 30326

Dear Novelis Team,

I hope this letter finds you well. I am writing on behalf of STEM Education Experience Inc., a nonprofit organization dedicated to inspiring and preparing the next generation of innovators by providing comprehensive STEM (Science, Technology, Engineering, and Mathematics) education programs to underrepresented youth in our community.

We are impressed by Novelis' commitment to community engagement and sustainability through the Novelis Neighbor program. Your focus on advancing STEM education aligns perfectly with our mission to provide hands-on learning experiences that equip students with the skills and confidence for STEM careers.

Our organization has seen, firsthand, the transformative impact that STEM education can have on young minds. By fostering curiosity and problem-solving skills, we help students develop a lifelong passion for learning and innovation. However, to continue and expand our programs, we rely on the generous support of forward-thinking partners like Novelis.

We are seeking sponsorship to fund our Saturday STEM Education Experience Scholarship, a program designed to provide equitable access to quality STEM education for underserved youth. This initiative engages students in meaningful learning and addresses the critical need for STEM education. The cost for a student to attend one Saturday STEM session is \$58, which includes \$45 for participation and \$13 for materials and supplies. We are asking for your support to sponsor 12 sessions, covering approximately 3 months of Saturday STEM classes, at a total cost of \$696 per sponsorship. By supporting this initiative, you will empower students with the skills and opportunities they need to succeed in a rapidly evolving technological landscape.

In recognition of your support, we would entitle a scholarship in honor of Novelis and feature you as a key partner in all promotional materials, events, and media coverage. This partnership would benefit our students and reinforce Novelis' commitment to shaping a sustainable world by investing in future innovators.

Thank you for considering our request. We would be delighted to discuss this opportunity further and explore how we can work together to make a lasting impact on our community. Please feel free to contact me to arrange a meeting at your earliest convenience.

Sincerely,

Jeremiah F. Wilson
